Regarding Mandatory Submission of AISHE 2022-23 WebDCF before ending the deadline of 05.04.2024

Respected Sir/Madam.

With reference to above mentioned subject, it is very unfortunate to inform you that the Jharkhand State Unit of AISHE has noticed that your institution has not yet submitted the Web Data Capture Format (WebDCF) for the AISHE Survey 2022-23 despite regular follow-ups and continuous technical support by our team. We must emphasize that participation in this survey is not optional rather it is compulsory, as mandated by the Ministry of Education, Government of India. This initiative is crucial for gathering essential data to inform the future direction of higher education in our country. As you are aware the deadline for submission of AISHE 2022-23 is 5th April 2024, till 5:00 PM.

Therefore, It is being requested to take quick and prompt action from your side to ensure the submission of data on the AISHE portal is finalized before the stipulated deadline.

Please feel free to contact our helpdesk no. 0651-3511021 during working hours or email snoaishe-jh@jharkhandmail.gov.in for any kind of technical support regarding this.
